

Internship Certificate

TO WHOM IT MAY CONCERN

This is to certify that **Mr Divagar Senthamil Selvan** has successfully completed an internship at Amrita Vishwa Vidyapeetham, in the **Biosignal Processing and Rehabilitation Robotics Lab, Amrita School of Artificial Intelligence**, Coimbatore, from 01/12/2025 to 31/03/2026.

During the internship, he worked on an **EEG-based BCI application**, including the P300 speller and motor imagery tasks, and hands-on EEG signal acquisition with Emotiv Epoch X, under the supervision and guidance of **Dr Amrutha Veluppal**. Throughout this period, he demonstrated a keen interest in the subject, acquired valuable knowledge, and developed relevant technical skills.

To the best of my knowledge, I certify his overall performance as good.
